* For Promotional headers please select promotional and category as per category.

* For Transactional SMS select others and category also others/category.

* Type the Header name which is relevant to your registered DLT company Name then click check availability. If your name was already taken you need to try changing the Header characters.

* Document upload is to upload the proof for any organization like GST/MSME/incorporation or any company related document to get Header approval. Kindly note it will automatically get approved.
